THAVINKA DE SILVA

Sponsorship Proposal | Speedstar Championship 2026, Senior class

About me

I'm Thavinka De Silva, a 20-year-old karting driver from Colombo. I race in the Senior category of the Speedstar series at Speedbay Circuit, Port City, one of the entry points into Sri Lanka's competitive karting pathway.

I started karting in 2024, then took a break from racing in 2025 to focus on my studies. I returned for the 2026 season, and since then I've taken over two seconds off my best lap and climbed from 4th to 3rd in the standings, all with limited access to practice.
